

STANDARD TERMS FOR 3 SERVICES – CUSTOMERS COMMENCING/RENEWING ON OR AFTER 1 JANUARY 2011

1. About these Standard Terms and your agreement

- 1.1 These Standard Terms for 3 Services ('Standard Terms') are the general terms and conditions on which we supply 3 Services and make Handset Instalment Plans available to you. These Standard Terms apply to customers whose agreement commenced or was renewed on or after 1 January 2011. If your agreement commenced before 1 January 2011 and has not been renewed on or after 1 January 2011, the '*Standard Terms for 3 Services for customers commencing/renewing before 1 July 2010*' or the '*Standard Terms for 3 Services for customers commencing/renewing after 1 July 2010 but before 1 January 2011*' will apply to your agreement depending when you commenced or renewed your agreement with 3.
- 1.2 These Standard Terms are our Standard Form of Agreement, which, along with any other terms that you agree to, are binding on you and us. The Standard Form of Agreement is lodged with the Australian Communications and Media Authority ('ACMA') and is available on our website at www.three.com.au and should be available on the ACMA's website at www.acma.gov.au.
- 1.3 Your agreement with us is made up of these Standard Terms, the Plan Details of the Postpaid or Prepaid Product(s) we supply to you, any application or agreement forms you sign, and any other terms to which you agree from time to time. These documents, the Price Information and the Product Information will be made available to you (whether supplied directly to you or by accessing relevant sections of our website at www.three.com.au), before your agreement commences. From time to time new 3 Services will be made available to you on your Handset or Other Device. The terms and conditions applicable to these 3 Services will be made available to you, (whether supplied directly to you or by accessing relevant sections of our website), before you use the 3 Services. These terms and conditions also form part of your agreement with 3 if you elect to use these 3 Services.
- 1.4 When we say:
 - (a) 'we', 'us' or 'our', we mean Vodafone Hutchison Australia Pty Limited (ABN 76 096 304 620), which operates under the trade mark '3'. Our A.C.N. is 096 304 620. Details of our current registered office address can be found on our website www.three.com.au;
 - (b) 'you' or 'your' we mean you, our customer; and
 - (c) 'agreement' we mean your agreement with us for the supply of 3 Services.
- 1.5 We have also set out in section 18 some useful definitions of words we use in these Standard Terms. Terms defined in these Standard Terms have the same meaning when used elsewhere in your agreement unless the context requires otherwise.
- 1.6 Your agreement with us commences when we Connect you. Your Connection with us is subject to the requirement that you must live or work within the areas in which the 3 Network operates.

- 1.7 Your agreement is personal to you. You remain responsible for complying with your agreement, even if you give another person your Handset, Accessory or Other Device. However, you may assign your agreement to another person, provided that other person satisfies our pre-conditions to Connection, which depending on the nature of the 3 Services may include a credit assessment, verification of their personal details and an employment check.
- 1.8 Except as set out in section 6.9, your agreement does not cover any purchase of products or other services from third parties while using 3 Services.

2. Minimum term of your agreement – Postpaid Customers

- 2.1 If the Price Information or Product Information specifies a Minimum Term for your 3 Services, you agree to remain Connected for that Minimum Term. You may end your agreement during the Minimum Term in accordance with section 10, section 3.5 or section 3.6.
- 2.2 If the Price Information or Product Information does not specify a Minimum Term, or your Minimum Term has expired, we will supply you with 3 Services until either you or we choose to end the agreement in any of the permitted ways set out in section 10 and 12.

3. Variations to your agreement and Charges

International call rates and international roaming rates

- 3.1 Our international call rates and international roaming rates are subject to variation because these services are supplied to us under arrangements with third parties. We may increase the rates for these services if the cost to us of providing the services increases by reason of our arrangements with third parties. Before travelling overseas, you should contact Customer Care or visit our website at www.three.com.au to find out the current international call rates and international roaming rates.

Optional 3 Services

- 3.2 Charges for some Optional Services (including Content) are expressed in the Price Information to be variable or valid for a fixed period. We will give you reasonable notice of any increase in charges and the date on which the new charges will take effect so you can elect to cease subscribing for, or otherwise accessing, that element of the 3 Services before that date.

Imposition of a tax or other government charge

- 3.3 We may impose or vary a fee or charge for products or services we supply to you under your agreement where the fee or charge is a tax or other government charge imposed by law.

Content

- 3.4 The Charges applying to Content that you can acquire from us are set out in the Price Information or displayed on your Handset before you elect to receive the Content and may be subject to variation. Where a Content Provider increases the price of the Content (or part of it) they supply to us, we may increase the price of the same Content (or part of it) supplied to you. If you are still within any applicable Minimum Term, and you have used the relevant Content during the past 3 months, we will give you reasonable notice of any

increase in the price of that Content and the date on which the new price will take effect so you can elect to cease subscribing for, or otherwise accessing, that Content before that date.

Third party carriage services

- 3.5 Where we have a contract with a third party that enables us to supply third party carriage services to you such as Roaming services, and the terms of that contract are varied, we may vary the terms of your agreement as a result. We will give you notice of any variation in the terms of your agreement before the variation takes effect if the variation would cause more than a minor detriment to you. If you are still within any applicable Minimum Term, you will have the right to terminate your agreement with us within 42 days of the date of our notice to you. If you have not agreed to a Minimum Term or the Minimum Term has expired, you can terminate your agreement with us at any time. The Charges payable on termination are explained in section 11.

Other rates or terms

- 3.6 We may vary any other rates set out in the Price Information or any other terms of your agreement including terms set out in the Product Information. We may also vary characteristics of the 3 Services. If you are a Postpaid Customer and are within the Minimum Term of your agreement (other than month to month):
- (a) We will give you at least 21 days' notice of any variation under this section 3.6 if the variation would cause more than a minor detriment to you;
 - (b) You will have the right to terminate your agreement with us within 42 days of the date of our notice to you. If you have not agreed to a Minimum Term or the Minimum Term has expired, you can terminate your agreement with us at any time; and
 - (c) You can also terminate your agreement if you demonstrate to us that a variation under this section 3.6 has had more than a minor detrimental impact on you.

We may give you notice as set out under section 15 of these Standard Terms. The Charges payable on termination are explained in section 11.

- 3.7 If we vary these Standard Terms and the variation could be reasonably expected to adversely affect you, we will provide you with reasonable notice of such a change having regard to:
- (a) the nature of the change;
 - (b) the means by which notice is to be provided;
 - (c) the length of time remaining before the change takes effect; and
 - (d) any other matter that is reasonably relevant.

We may give you notice as set out under section 15 of these Standard Terms.

- 3.8 We may change the telecommunications network infrastructure constituting the 3 Network at any time. If we do so, we may be required to notify you and offer you a right to terminate as set out in sections 3.6 and 3.7.

3.9 If you are a Prepaid Customer and you have terminated your agreement because you reasonably consider that a variation we have made under section 3.6 has caused more than a minor detriment to you, and the variation will take effect before the date on which existing credit in your Account will expire, you may request us to refund the fair value of any unused credit in your Account. We will provide such a refund in circumstances where it would be reasonable for us not to do so, having regard to the length of time between the notice being provided to you under section 3.7 and the variation taking effect, the amount and the expiry date of unused credit in your Account, and such other circumstances that we reasonably consider relevant.

4. What we will provide to you

A USIM and Account

4.1 We will open an Account for you and provide you with a USIM and, except where you have ported your previous mobile number to us, a new mobile telephone number and other service numbers, if applicable.

4.2 The USIM remains our property and we may recall it for upgrades or modifications or in other exceptional circumstances so that we can continue to provide the 3 Services to you. We may also recall the USIM when your agreement ends. The USIM is only provided for use with Handsets and Other Devices approved for use on the 3 Network and may be locked so that it cannot be used on an Other Provider's network or with an unapproved handset or other device, such as a GSM handset. This is to maintain the integrity of the 3 Network and to ensure that we can provide 3 Services to you.

4.3 If you have Reserved a number you should not trade the number or make it available to another customer unless that customer has obtained prior approval from us. 'Reserved' means you have requested an option to use the number for the supply of 3 Services at some time in the future and we have agreed to keep that number for your future use.

4.4 You become the Rights of Use holder when we agree to the issue of a specific number for your use in association with the 3 Services.

4.5 If you wish to port your number to or from an Other Provider, you should not disconnect your service prior to the port.

3 Services

4.6 Once you are Connected, we will provide you with access to 3 Services. 3 Services include the following services if you have requested them and we approve:

- (a) Optional Services; and
- (b) Age Restricted Services, provided that you are older than the minimum age legally permitted to access those services.

4.7 Full details of the range of 3 Services are contained in the Product Information which will be made available to you before your agreement commences (whether supplied directly to you or by accessing the relevant sections of our website).

4.8 You will also be able to upload and send your own content using the 3 Services. So that we can supply the 3 Services to you, you grant us a royalty free, world-wide licence, for as long as is necessary to store and transmit any content you upload on the 3 Services. If you

choose to use the POP3 polling features in our Messaging Services, you are appointing us as your agent for enabling the POP3 polling services to be provided to you.

- 4.9 We may change or withdraw some, or part, of the 3 Services from time to time because the Content supplied to us varies or in order to improve the 3 Services that we provide to you.
- 4.10 We may limit or block your or our customers access to any number(s), and/or services provided or made available by a third party if we reasonably consider it necessary or appropriate to do so to minimise the risk of our customers, the 3 Network, or us being adversely affected as a result of:
- (a) significant congestion or instability in any part of the 3 Network and/or our administrative systems (including, but not limited to, our billing systems);
 - (b) any action, claim, demand, cost, expense, loss, damage or other detriment (whether financial or not); or
 - (c) the 3 Services being used in a manner contrary to our offers.

For example, we may limit or block access where continued access to a number(s) or service(s) is reasonably considered by us to result in: our customers receiving unusually high Charges (known as bill shock); increased customer complaints including in relation to the characteristics of the number(s) or the service(s); or where access is causing us revenue loss.

If we limit or block access under this section 4.10, we may be required to notify you as set out in sections 3.6 and 3.7.

Limitations to 3 Services

- 4.11 We will always try to make the 3 Services available to you. However, there are inherent limitations involved in the supply of mobile telephone services including our supply of 3 Services. Most 3 Services are only available within the 3 Network coverage area. Limited 3 Services are available while Roaming. Within the 3 Network coverage area there may be places where access to 3 Services is limited or unavailable. For more information about coverage see the Product Information and coverage maps which will be made available to you before your agreement commences (whether supplied directly to you or by accessing the relevant sections of our website). Before you enter into your agreement with us, you should be satisfied that the 3 Network coverage meets your requirements. If you port a number to us for which you are not the Rights of Use holder, we are obliged to immediately return that number to the carriage service provider of the Rights of Use holder and we will issue you with another number.

Roaming

- 4.12 Roaming may occur when you are outside of the 3 Network coverage area in Australia, or at places within the 3 Network coverage area where 3 Network reception is unavailable. When overseas you may Roam in countries where we have Roaming arrangements in place.
- 4.13 When Roaming, you agree to comply with all your obligations in relation to the use of 3 Services as if you were using the 3 Services on the 3 Network.

- 4.14 When Roaming you may not have access to all 3 Services. For more information about the availability of Roaming or the extent of 3 Services while Roaming see the Product Information and coverage maps which will be made available to you before your agreement commences (whether supplied directly to you or by accessing the relevant sections of our website).
- 4.15 Prices may also vary when Roaming. Full details of how prices may vary when you are Roaming nationally are set out in the Price Information which will be made available to you before your agreement commences (whether supplied directly to you or by accessing the relevant sections of our website).

Disruptions to 3 Services

- 4.16 3 Services are not suitable for uses that require continuous or fault-free service. There may be situations where 3 Services are not continuously available or the quality is affected, for example:
- (a) when we need to perform any upgrading, maintenance or other work on the 3 Network or 3 Services;
 - (b) at times of particularly high network congestion;
 - (c) calls and data sessions may not be maintained when you move from the 3 Network to the network of an Other Provider to facilitate national Roaming; or
 - (d) because of factors outside our control, such as interruptions to services from Other Providers and Content Providers, the weather or radio interference caused by hills, tunnels or other physical obstructions or in cases of damage or congestion on the 3 Network or Other Provider's network as a result of a Force Majeure Event.

5. Handsets, Other Devices and Accessories

Use of Handsets and Other Devices on the 3 Network

- 5.1 You may only use a USIM with Handsets or Other Devices that have been approved by us for use on the 3 Network, as technical problems may occur through the use of unapproved handsets or other devices which may affect your ability, or the ability of other 3 customers, to access the 3 Services. Not all 3 Services will be available with all Handsets or Other Devices. You must comply with all laws and all reasonable directions by us relating to the use of Handsets and Other Devices.
- 5.2 If your Handset or Other Device is locked and capable of being unlocked, you must only arrange to unlock your Handset or Other Device through us and may have to pay an unlocking fee. If you arrange to unlock your Handset or Other Device through someone other than us, this may result in damage to the Handset or Other Device and/or void any manufacturers' or other express warranty for your Handset or Other Device. Before you enter into your agreement with us, we will advise you of any period during which your Handset or Other Device is locked and if it can be unlocked. The circumstances in which you will have to pay an unlocking fee are explained in section 11 (for Postpaid Customers), section 12.5 (for Prepaid Customers) and the Price Information. The amount of the unlocking fee is set out in the Price Information.

- 5.3 We have the right not to Connect a Handset or Other Device for your use on the 3 Network or to Suspend your Account or any or all 3 Services if we are aware or reasonably suspect that the Handset or Other Device has been lost, stolen or used for an illegal purpose or is not approved by us or by a government authority.

Purchases directly from us

- 5.4 If you purchase a Handset, Accessory or Other Device directly from us (such as from a 3 Shop, Customer Care or using our website), you enter into an agreement with us for the purchase of those goods. We will retain ownership in all goods purchased from us until you have paid for them in full, unless you have bought the goods under an agreement where you agree to pay for the goods in a number of instalments, such as a Handset Instalment Plan (for Postpaid Customers), in which case you will own the goods on entry into that agreement. The USIM will remain our property at all times.
- 5.5 You will be responsible for any Handset, Accessory or Other Device as soon as they are delivered to you. If you damage or lose any goods before you have paid for them in full, you will still be required to pay us for the full price of those goods. You are responsible for arranging your own insurance for any Handset, Accessory or Other Device.

Purchases from other retailers

- 5.6 If you purchase a Handset, Accessory or Other Device from a retailer other than us (a retailer includes one of our authorised dealers) you enter into an agreement with that other retailer for the purchase of those goods. We are not part of that purchase agreement except to the extent that we acquire the right to collect payments and if applicable, obtain title to Handsets or Other Devices purchased by you under a Handset Instalment Plan.

Handset Instalment Plans – Postpaid Customers

- 5.7 If you purchase a Handset or Other Device from us on a Handset Instalment Plan, you agree that you will pay all instalment payments in accordance with the Handset Instalment Plan.
- 5.8 If you purchase a Handset or Other Device from a retailer other than us on a Handset Instalment Plan, you agree to pay all instalment payments to us, and you will not have to pay those instalments to the other retailer.

6. Your Obligations

Sections 6.1 to 6.9 apply to Postpaid Customers only. Sections 6.10 to 6.16 apply to Prepaid Customers only.

Pay your bills (Postpaid Customers only)

- 6.1 You must pay us all Charges for 3 Services used on your Account, whether used by you or another person with or without your permission. Your liability to pay these Charges arises when the 3 Services are used, but unless these Standard Terms say otherwise, payment is due on the date specified on your bill.
- 6.2 Any credits on your Account are non-refundable, non-transferable and not redeemable for cash. However, if we terminate your agreement in accordance with the provisions of section 10.2(c) or you terminate your agreement because we are in serious breach of it, we will refund you a pro-rata portion of any Charges you may have paid in advance.

- 6.3 If your USIM, Handset or Other Device is lost, stolen or damaged, or you have sold or given away your USIM, Handset or Other Device, you will remain responsible for all Charges for 3 Services on your Account until such time as you ask us to Suspend your Account or any or all 3 Services or your agreement ends in accordance with these Standard Terms. In these circumstances, you will also remain responsible for any payments under a Handset Instalment Plan for the length of that Handset Instalment Plan.
- 6.4 It is our practice to bill you monthly. Your bill will normally include your fixed Charges for the next billing period, usage and administrative Charges for the last billing period and Charges for Roaming in prior periods. The initial invoice may also contain a Charge for Connection. Goods & Services Tax (GST) will be included in your bill at the relevant rate where applicable. All applicable Charges (which include GST) are set out in our Price Information which will be made available to you before your agreement commences.
- 6.5 If you incur unusually high Charges on your Account we may contact you to determine why this has occurred and to ensure that your Handset or Other Device has not been lost or stolen or is not otherwise being used fraudulently. In these circumstances, we may require you to make an interim payment so you can continue to use the 3 Services. To do this, we do not have to send you a bill. We may demand payment in writing, over the phone or by sending a message to you.
- 6.6 Your bill will indicate the ways you are able to pay. We may introduce or vary existing billing fees such as a fee for paying your Account by credit card, a fee for not paying your Account by direct debit or a fee to receive a non-electronic version of your bill. If we introduce or vary any such billing fees we will provide you with reasonable notice of the fee and the date from which it will apply. There will always be reasonable alternative options available for paying your Account, at least one of which will not involve a fee being charged by us.
- 6.7 If you fail to pay your bill on time, you will be in breach of your agreement. If your bill is not paid by the due date, we will notify you, request payment immediately and specify when you must pay to avoid being Suspended. The time we specify will give you a reasonable opportunity to pay. If you fail to pay the overdue amount by the time we specify, we can Suspend you. If we Suspend you in these circumstances, we will not re-Connect you until you pay us your outstanding Charges, including all fees for late payment. We may terminate your agreement if you continue not to pay your bills on time. You must inform us in a timely manner if you dispute the Charges on your bill. We will not Suspend you or terminate your agreement for failure to pay your bill if the only overdue amounts relate to Charges which you have notified us that you dispute acting reasonably and in good faith and the dispute has not been resolved.
- 6.8 If we take legal or other collection action against you for non-payment of the Charges, we will require you to pay our reasonable costs and expenses (including legal costs) of taking that action plus interest. Interest will be calculated at a rate of 2% per annum above the ANZ Bank's corporate overdraft rate from time to time calculated on the daily balance of the unpaid amount from the due date until the date of payment in full.
- 6.9 If the 3 Services are used by you or any other person, with or without your permission, to acquire goods and services from third parties, you are responsible for paying those third

parties directly. Where we provide a billing service for a third party you will see these charges on your bill and our normal payment terms will apply. We are not responsible for, and do not control or endorse any goods and services sold or supplied by third parties. Any purchases of goods or services are subject to the third party's terms and conditions and any queries or complaints regarding those goods or services must be referred to the third party. The Handset number will be passed electronically to relevant third parties for the immediate purposes of billing, customer service and delivering any goods or services ordered using the 3 Services. If we Suspend your Account then the 3 Services cannot be used to make purchases from third parties and purchases that have been made from third parties may not be processed.

Purchase credit for your Account (Prepaid Customers only)

- 6.10 Credits on your Account are non-refundable, non-transferable and not redeemable for cash (unless we terminate your agreement in accordance with the provisions of section 12.4(b) or you terminate your agreement because we are in serious breach of it, in which case we will refund on request from you a pro-rata portion of any Charges you may have paid in advance).
- 6.11 You will be required to purchase credit for your Account in order to use the Service. The ways in which you can purchase credit will be specified in the Price Information or Product Information or detailed on our website www.three.com.au from time to time. New credit may not appear on your Account immediately after payment. We recommend that you add new credit to your Account before your existing credit runs out. Charges for 3 Services used on your Account, whether used by you or another person with or without your permission will be deducted from your credit.
- 6.12 You will not be able to use all of the 3 Services if you have no credit on your Account.
- 6.13 If your USIM, Handset or Other Device is lost, stolen or damaged, or you have sold or given away your USIM, Handset or Other Device, you will remain responsible for all Charges for 3 Services on your Account until such time as you ask us to Suspend your Account or any or all 3 Services or your agreement ends in accordance with these Standard Terms.
- 6.14 We do not provide invoices or statements for the 3 Services. However, you may order statements at the prices stated in the Price Information.
- 6.15 We may introduce fees such as a fee for adding credit to your account by credit card. If we introduce any such fees we will provide you with reasonable notice of the fee and the date from which it will apply. There will always be reasonable alternative options available for adding credit to your Account, at least one of which will not involve a fee being charged by us.
- 6.16 If the 3 Services are used by you or any other person, with or without your permission, to acquire goods and services from third parties, you are responsible for paying those third parties directly. Where we provide a billing service for a third party you will see these Charges will be deducted from the credit on your Account. We are not responsible for, and do not control or endorse any goods and services sold or supplied by third parties. Any purchases of goods or services are subject to the third party's terms and conditions and

any queries or complaints regarding those goods or services must be referred to the third party. The Handset number will be passed electronically to relevant third parties for the immediate purposes of deducting credit, customer service and delivering any goods or services ordered using the 3 Services. If we Suspend your Account then the 3 Services cannot be used to make purchases from third parties and purchases that have been made from third parties may not be processed.

Provide correct information

- 6.17 By applying for 3 Services or a Handset Instalment Plan, you undertake to provide all factual information necessary for us to supply the 3 Services to you, including, as applicable, your correct name/s, address of your home or office and address for billing purposes. You must advise us promptly of any change to these details and in particular any change in your home or office and billing address, Handset or Other Device or your telecommunications service. You agree that:
- (a) if the Account is in your name as an individual, even where you have also nominated a business name, you have full contractual capacity to enter into the agreement and are able to pay the Charges; or
 - (b) if an Account is established in the name of a company, the person that has opened the Account on behalf of the company is duly authorised to bind the company to the agreement.

Secure your Handset or Other Device, PIN, passwords and USIM

- 6.18 You must keep your Handset, Other Device and USIM safe and secure. We may charge you for any replacement Handset, Other Device and USIM if it is damaged by you or someone other than us or the Handset, Other Device or USIM is lost or stolen. Your Handset, Other Device or USIM may be used to store your personal details such as your address book and any personal information. If your Handset, Other Device or USIM is lost or stolen it is possible that another person may obtain unauthorised access to that information.
- 6.19 We use Your PIN to identify You when You request access to Your account to make changes to Your Service or to receive other information relating to Your account. We will not grant access to You, or to Your authorised representative, if Your PIN is not correctly quoted, unless You contact the Customer Contact Centre and are able to identify Yourself to our reasonable satisfaction.
- 6.20 You must not disclose Your PIN to any person unless You consent to them being authorised to make changes to, and manage, Your account and Service with us as Your authorised representative. You will be bound by any directions made by anyone who is able to quote Your PIN in relation to Your Service.
- 6.21 You must keep Your PIN confidential at all times and stored in a safe place.
- 6.22 We reserve the right to decline access to the account if we consider the person quoting the PIN is not You or someone authorised by You to have access, but we have no obligation to do so, or make further enquiries if Your PIN is quoted.

6.23 You may only use 3 Services:

- (f) in any way which breaches any security or other safeguards or in any other way which harms or interferes with 3 Services, the 3 Network or the networks or systems of others, including in any way which results in a virus, worm, trojan horse or similar program affecting us, an Other Provider or anyone else;
- (g) to send or receive instructions which, if implemented, might cause damage or injury to any person or property;
- (h) to falsify or delete any author attributions, legal or other proper notices or proprietary designation or labels of the origin or source of software or other content contained in a file that you upload;

A copy of any applicable fair use policy will be made available to you before your agreement commences, and is available in 3 Shops and on our website.
- 6.27 Your communications with Customer Care or any of our authorised dealers or sales agents must not be menacing, threatening, amount to harassment or otherwise be of an unacceptable nature.

Any applicable limits will be communicated to you in advance. If you exceed these limits you will not be able to use these 3 Services until you adhere to the limits, for example, by reducing the message size or number of messages stored.

Responsible use of Age Restricted Services

- 6.30 If you are under the legal age, you are not permitted to access our Age Restricted Services. If you are permitted to access the Age Restricted Services, you must not show or send Content from the Age Restricted Services to anyone under the legal age for that service. Consumer guarantees – goods and services supplied on or after 1 January 2011

Sections 14.3 to 14.7 below set out our liability to you in relation to any goods and services supplied to you on or after 1 January 2011.

14.3 The *Australian Consumer Law* as set out in the *Competition and Consumer Act 2010* (Cth) provides consumers with certain 'consumer guarantees'. These guarantees apply where the goods and services we supply to you are of a kind ordinarily acquired for personal, domestic or household use or cost less than \$40,000, and in the case of goods, are not re-supplied by you. With respect to goods, these guarantees include a guarantee that the goods:

- (a) are of acceptable quality (unless we made known to you the reasons why the goods may not be of acceptable quality before purchase, for example, by drawing any fault or defect to your attention);
- (b) fit for the purpose which we represented to you;
- (c) fit for the purpose or task for which you acquired the goods, provided you made that purpose known to us before purchase;
- (d) match the description, sample or demonstration model you were provided; and
- (e) comply with any express warranty given in relation to the goods.

With respect to services, these guarantees include that: the services will be rendered with due care and skill; the services and any product resulting from the services will be fit for the purpose or task for which you acquired the services or the result you expected the services to achieve, provided you made the purpose or result known to us before purchase; and if a time is not specified for completion of the services, the services will be supplied within a reasonable time.

14.4 These guarantees give you rights against us that we cannot limit or exclude, subject to section 14.9. For example, if a failure to meet a guarantee is a major failure, then in relation to goods and depending on the circumstances, you may be entitled to a replacement or refund, and in relation to services, you may be entitled to terminate the contract and obtain a refund. If a failure does not amount to a major failure, you are entitled to ask us to remedy the failure. In this case, we are able to choose how to remedy the failure, including by repairing or replacing goods.

This section is only intended to provide some examples of the rights you may have against us. It is not an exhaustive statement of the circumstances in which you may be entitled to a remedy under the Australian Consumer Law.

14.5 Where the goods or services supplied to you are not of a kind ordinarily acquired for personal, domestic or household use or consumption, our liability for breach of a guarantee (other than liability for guarantees as to title, undisclosed securities and undisturbed possession in relation to goods supplied to you, which we cannot limit) is limited to doing one or more of the following:

- (a) in the case of goods,
 - (i) the replacement of the goods or the supply of equivalent goods;
 - (ii) the repair of the goods;
 - (iii) the payment of the cost of replacing the goods or acquiring equivalent goods; or

- (iv) the payment of the cost of having the goods repaired; and
 - (b) in the case of services,
 - (i) the supply of the services again; or
 - (ii) the payment of the cost of having the services supplied again.
- 14.6 We cannot limit our liability as set out in section 14.5 if you establish that it would not be fair or reasonable for us to do so.
- 14.7 Except as provided in this section 14.5, nothing in your agreement excludes, restricts or modifies rights which you have under the *Australian Consumer Law* in respect of the consumer guarantees.

Manufacturer's Warranty

- 14.8 The performance, quality, workmanship and suitability of any Handset, Accessory or Other Device may be subject to the manufacturer's specifications and warranty, details of which will be made available to you before your agreement commences. The manufacturer's warranty is in addition to, and not in substitution for, your statutory rights relating to faulty or misdescribed goods or services (see sections 14.3 to 14.7 above for more detail).
- 14.9 Unless otherwise stated in the manufacturer's warranty terms, the Handset, Accessory or Other Device warranty is conditional upon:
- (a) the manufacturer's Handset, Accessory or Other Device being operated, handled and repaired in accordance with any manual or written instructions of the manufacturer or us;
 - (b) the Handset, Accessory or Other Device having been properly stored or maintained by you; and
 - (c) no modification of the Handset, Accessory or Other Device without our consent.
- 14.10 The Handset, Accessory or Other Device warranty does not cover damage, malfunction or failure resulting from misuse, neglect, abuse, use for a purpose for which the relevant Handset, Accessory or Other Device was not designed or is not suited or normal wear and tear.
- 14.11 If a Handset, Accessory or Other Device purchased by you is faulty or not functioning because you have damaged or misused it, it will be your responsibility to arrange, at your cost, to have it repaired or replaced so you can continue to use the 3 Services.

Delivery of 3 Services

- 14.12 We will try to ensure the accuracy, quality and timely delivery of the 3 Services and are obliged to provide them with due care and skill. However, subject to sections 14.2 to 14.7:
- (a) we accept no responsibility and have no liability to you for any use of, or reliance on, 3 Services or Content, or for any disruptions to, or any failures or delays in, 3 Services including Content and alert services;
 - (b) we do not make any representations as to, and have no liability to you in relation to, the accuracy, comprehensiveness, completeness, quality, currency, error-free

nature, compatibility or security of 3 Services including Content and alert services;
and

- (c) we may limit the 3 Services you may use where the 3 Services or the 3 Network are operating in such a way that we cannot impose the relevant Charges, where Charges are normally due.

14.13 In providing you with access to any 3 Services including Content, we are not providing you with any advice of any nature, including, without limitation, investment advice. In respect of any 3 Services including Content containing investment information, we are not communicating invitations or inducements to enter into investment agreements.

14.14 You may be able to use 3 Services:

- (a) to upload, email or transmit Content; and
- (b) to access Content which is not part of the 3 Services or edited by us and to acquire goods and services that we do not prepare, select, modify or exercise any control over. Where we provide you with access to Content that is not supplied by us, all we do is transmit the Content to you and we do not prepare or exercise control over the Content, goods or services. We are not responsible or liable in any way for, and do not endorse, any of this Content, goods or services.

Your liability to us

14.15 You agree to indemnify us, our employees and officers against all loss, damage, liability and expenses incurred by us or them as a result of or in relation to any claim made or legal proceedings including (without limitation) claims for breach of copyright, breach of confidence, defamation, theft, conversion, and/or obscenity brought against us or them caused by use of the 3 Services by you or any other person you allow to use the 3 Services on your Account. You will not have any liability to us for any loss or damage caused by us, including any breach of a guarantee set out in the laws referred to in section 14.3.
